REMINDER FROM THE CHURCH OF SCOTLAND

The regulation which makes it a legal requirement to wear a face covering in churches and other indoor public spaces has not changed and we urge every congregation to abide by the law and make it clear to all attendees that they must wear a face covering with the exception of those who are under the age of 12 or who have a genuine medical exemption. We also remind congregations of the requests from the Scottish government that we should invite individuals to keep a distance from other households and that we also keep a list of those who attend services for the use of Test & Protect in the event of a positive Covid case linked to the building.

Wiekus's Weekly Words

If you would like Wiekus to send messages to your phone you can send him your mobile number (which he will not share with anyone else and it will not be visible to anyone else) and he will send short messages on WhatsApp to you on a regular basis. This will all be done confidentially. His dedicated mobile number is **07341 370133**.

ANNOUNCEMENTS...

1) Would any member of the congregation like to help by becoming part of our Property Committee? We are very short of numbers and there are always bits of general maintenance needing done. Even if you can only help for an hour now and again it would be appreciated. Please contact Diane Morrison or Nicola Smith for more information.

2) Two significant areas of public policy reform on which the General Assembly has made a clear position are currently being considered.

Both of the issues relate to the protection of vulnerable groups and upholding respect for human dignity and human life. The views of the Church are not party-political but which put the teachings of Jesus Christ at the centre: as healer, reconciler, friend and redeemer. Church members may want to be aware of the opportunities to share their opinion about the issues and contribute.

Proposed Assisted Dying for Terminally Ill Adults (Scotland) Bill

A proposal for a Members' Bill has been introduced into the Scottish Parliament. A consultation will run until 22 December 2021.

This course will take approximately 2 hours to complete, is interactive and participants will be encouraged to reflect on their food safety knowledge and skills. There are no tests or exams during or after this course.

This course is delivered through a third party training partner and is entirely online so you will need access to a computer or tablet with a suitable internet connection. At the end of the course you will receive an approved REHIS Introduction to Food Hygiene certificate.
